Bondage

More Information on the poster set:

<http://fine-art-of-bondage.com/2017/03/poster/>

The posters look really great if you buy a frame and put them in. Another great idea is to buy a bigger frame with a passe-partout. The bigger the image the more stunning and catchy it will look at your wall.

All of these artworks and way more are available as prints on canvas, metal, acryl/plexiglass or as printed art books.

In the Rod Meier Media Shop there's also a complete catalog and overview of all erotic art collections.
